By accepting the membership fee regulations, all members agree to participate in the SEPA Direct Debit Scheme, so to allow the Association to collect membership fees and other benefits by direct debit.

- 1) A prerequisite for recognition as a network member is that the non-profit organization becoming a member also offers our association free or adequately discounted membership or in some other way promotes the statutory objectives of our association. The Board of Directors will decide on admission to this dues category on a case-by-case basis.

The membership fee regulations were unanimously approved in the present version by the General Meeting on 07.05.2021.
